THALAZUR HOTELS & SPAS BANDOL FRANCE

Perfectly suited for both the bedroom and Spa, our black sandal is manufactured with a biobased sole "I'm green™". With a thickness of 18mm, this model can be single used or reused after cleaning. The vamp is made-up of a 3mm "I'm green™" layer covered with a black cotton knitwear. The logo can be printed or embroidered.

02 - I'M GREEN™ SOLE 18MM BLACK COLOR

HOTEL ANNAPURNA COURCHEVEL FRANCE

This model was designed for hotel Annapurna located in the Mountains. With the "I'm green™" sole of 10mm, we integrated Felt & Fur materials. Depending on budget, the felt fabric can be made from natural or synthetic fibers.

“IDEAL FOR
COLD
WEATHER,”

HOTEL SEZZ

SAINT TROPEZ FRANCE

Hotel Sezz in Saint Tropez is an ecofriendly Luxury hotel. The team was seduced by the low emission of Co2 for the production of their new 8mm single-used flip-flops. Two different colors were chosen for sizes. Plastic straps have been replaced by a 3cm width "I'm green™" straps which makes it very comfortable.

02 - BLACK TONG FOR MEN

“

Je souhaite vous dire que les tongs sont très confortables, nous sommes très satisfaits.

- Angélique De Sà-Mansoutre (General Manager)

”

LA COQUILLADE HOTEL & SPA PROVENCE VILLAGE

With outstanding terraces and outside pools, the hotel selected a straw sandal with a vamp that can be adjusted with a velcro fastening. This model will be *improved with an 8mm "I'm green™" sole.*
